On motion of Mr. Ahern, Mr. A. W. Hill of Concord was elected chairman. On motion of Mr. Ahern, Mr. A. W. Thompson of Pembroke was elected clerk.

On motion of Mr. Ahern of Concord, it was voted that a committee of five be appointed by the chair to confer with the county commissioners in regard to appropriation required and to report at next meeting.

Voted to adjourn subject to the call of the chairman.

The clerk appeared before M. L. Spaulding, justice of the peace, and was duly qualified.

A. W. THOMPSON, *Clerk*.

CONCORD, N. H., February 7, 1905.

The Merrimack county delegation met on the above-named date in Room 4 at the state house and was called to order by the chairman.

The report of the committee of five being called for, Mr. Ireland of Dunbarton, as chairman *pro tem.* of the committee, reported that the committee had conferred with the county commissioners, that the commissioners submitted an estimate of the amounts needed.

The committee consisted of Mr. Fellows of Concord, Mr. Ireland of Dunbarton, Mr. Dustin of Pittsfield, Mr. Messer of New London, and Mr. Davenport of Franklin.

Following is the estimate submitted by the county commissioners :

*Estimate of expenses for Merrimack county for the years*

DANIEL W. SULLIVAN,  
FRENCH NELSON,  
CHARLES P. MORSE,

*County Commissioners.*

Mr. Shirley asked for information as to how much the commissioners had spent for the last two years.

Moved by Mr. Ahern of Concord, that this meeting be adjourned to meet at the Merrimack county farm

one week from next Friday, that the clerk notify the county commissioners.

So voted.

A special meeting of the delegation was called in response to a letter from Mayor Corning suggesting that the county might exchange its building for the high school building and asking that the matter be investigated.

*Voted*, That the chair appoint a committee of three to confer with the high school committee and report at a later meeting.

February 15, 1905.

The Merrimack county delegation met in Room 4 as usual at the call of the chairman. Mr. Harris of Boscawen presided in the absence of Mr. Hill.

Mr. Gould of Concord reported that the committee had conferred with the committee of the high school.

That the only proposition offered the committee was "to see if the county delegation would agree to exchange buildings," that is, county building for high school building, "if satisfactory terms could be agreed upon."

Question by Mr. Harris of Boscawen, if the high school building is a suitable building or could be made so.

Mr. Shirley replied that he had examined the building and was of the opinion that it could be made suitable.

Mr. Gould had not examined building.

It was reported by the committee that the disposition of the high school committee was not to consider any offer unless the offer was liberal.

Mr. Corning gave as an estimate that about fifty or sixty thousand dollars (\$50,000 or \$60,000) would be required on an exchange.

Suggestion from the chairman of the committee that they would like a proposition from the county with reference to exchange of buildings, there was no real proposition from the high school committee.

Motion of Mr. Willis that this matter rest on the table, that it can be considered at a future time.

So voted.

*Voted*, That the report of the committee be accepted as a report of progress.

So voted.

Adjourned at call of chairman.

A. W. THOMPSON, *Clerk*.

February 17, 1905.

The Merrimack county delegation met at the Merrimack county farm on the above date. Meeting held in farm chapel.

In the absence of the chairman the meeting was called to order by the clerk, Mr. Thompson.

On motion of Mr. Ahern of Concord, Mr. Baker of Bow was elected temporary chairman.

The roll call showed forty-two present and eight absent.

Mr. Sullivan, chairman of the county commissioners, explained the financial condition and appropriation, that while the county was authorized to issue bonds to pay for the city's interest in the court house, instead thereof the money has been raised by an issuance of notes. The commissioners expect to pay the note of \$20,000 this year, \$5,000 already paid on note.

Mr. Sullivan recommends that a telephone on main line be added to county farm, so that there may be direct communication with Concord.

*Question.* Will the delegation grant permission to the county commissioners to sell a farm which was deeded to the county for the support of an inmate.

Farm worth about four or five hundred dollars (\$400 or \$500).

*Voted,* To authorize the county commissioners to sell farm in question by private or public sale.

*Voted,* To rescind the authorization of preceding delegation, to issue bonds to pay for city's share in county building.

The matter of expense for Merrimack county for the ensuing two years was then taken up. The estimate of \$94,400 was made for each year, 1906 and 1907.

Mr. Ahern of Concord raised the question as to the advisability of making a sinking fund of any surplus.

It was moved that the report of the committee, recommending that the sum of \$94,400 be appropriated for 1906 and a like sum for the year 1907 be accepted. So voted.

It was moved that the sum of \$94,400 be raised and appropriated for the year 1906. So voted.

It was moved that the sum of \$94,400 be raised and appropriated for the year 1907. So voted.

The question of establishing a private telephone line was brought up and discussed.

Moved to let the matter remain on table until next meeting. So voted.

Mr. Gould of Concord explained the proposition of the Concord school committee with reference to sale or exchange of high school building.

Proposition is: "Will the county agree to trade if satisfactory terms can be made?"

Discussion.

Moved, that the board of education be informed that the county delegation does not regard any exchange of property as advisable. So voted.

Moved, that a committee of five be appointed to confer with the county commissioners with regard to repairing the county building or constructing a new building. So voted.

It was moved that the present chairman, at his convenience, select a committee of five. So voted.

Committee appointed.

Mr. Fellows of Concord.

Mr. Emerson of Henniker.

Mr. Duffy of Franklin.

Mr. Dustin of Pittsfield.

Mr. Howe of Concord.

Adjourned subject to call of chairman.

A. W. THOMPSON, *Clerk*.

March 9, 1905.

The Merrimack county delegation met as usual in Room 4.

Meeting was called to order by the clerk, and on motion Mr. Eastman was elected chairman *pro tem*.

The report of the committee on county building with resolution was offered and read.

It was moved by Mr. Ahern that the report of the committee be accepted. So voted.

It was moved by Mr. Ahern that the committee be requested to investigate further and report at a future time. So voted.

It was moved that the incoming board of commissioners serve with the special committee of five for investigation. So voted.

Following is the report of committee and resolutions :

The committee, to whom was referred the matter of remodelling or rebuilding the Merrimack county court house, have carefully considered the needs of the county and investigated present conditions.

We find there is urgent need of immediate action to be taken to relieve the present conditions, either by remodelling or by building a new court house.

It has not seemed best to this committee, to make temporary repairs or temporary arrangements for increased accommodations for the officials and the public.

We find the probable cost of a new building, of size and arrangements suitable for many years to come, to be about \$65,000, including all furnishings.

We find the cost of remodelling the present structure and making a practically new building, to be about \$35,000, including all furnishings.

The committee strongly recommend the remodelling of the present structure, believing it to be a saving of from \$25,000 to \$30,000 to the county, and feeling satisfied of obtaining the same results as from a new building.

The committee recommend the adoption of the following resolution.

C. L. FELLOWS,

*Chairman.*

*Resolved*, That a building committee, composed of the county commissioners and four members of the delegation, be authorized to procure plans and specifica-

tions, from architects who will furnish them, to be paid for only if adopted and used, for remodelling the present court house, such plans and specifications to be submitted to the public for inspection at one or more public meetings, called for that purpose.

Said building committee to be authorized to advertise for and receive bids for such work and to make contracts for same.

The county commissioners are hereby authorized to issue short term bonds, to an amount not exceeding \$35,000, the proceeds of the sale of same to be applied to the payment for such remodelling and furnishings as far as may be necessary.

The county commissioners are hereby authorized to draw their warrants on the county treasurer for such sums as from time to time the architect issues certificates for, under contracts made by the building committee, and pay the same to the contractors to the amount of their contracts.

NOTICE OF A SPECIAL MEETING OF THE COUNTY  
CONVENTION OF THE COUNTY OF MERRIMACK  
IN THE STATE OF NEW HAMPSHIRE.

DEAR SIR:

Your attention is called to the following notice to the representatives of said county:

The undersigned, county commissioners of said county of Merrimack, hereby call a special meeting of the county convention of said county, to be held at the county hall, in the court house building, in said county, on Friday, April 21, 1905, at 11 o'clock in the forenoon, for the following purposes:

First. To hear the report of your committee appointed to investigate the matter of remodelling and furnishing the court house or building a new one.

Second. To see if the convention will authorize the county commissioners to remodel the court house or to build a new one, and furnish the same, and to make the necessary appropriation therefor.

CHARLES P. MORSE,  
ARTHUR H. BRITTON,  
JOHN F. JEWELL,  
*County Commissioners.*

Please try and be present, as if there is not a quorum present it will be a great expense to the county to call another meeting.

Dated at Concord, April 12, 1905.

April 21, 1905.

A special meeting of the Merrimack county delegation in compliance with the call of the county commissioners, a copy of which is annexed, was held in the county building on the above date.

Mr. Hill called the meeting to order at 11 A. M.

Moved by Mr. Fellows of Concord that Mr. Ahern be chosen chairman.

So voted.

The report of Mr. Fellows, chairman of the committee of five, being offered and read.

Following is the report of the committee by its chairman :

*To the Merrimack County Convention :*

Your committee, appointed to consider the needs of the county with reference to a court house and to confer

with the county commissioners relative thereto and recommend ways and means for supplying the needs of the county if any are found to exist, submits the following report :

### REPORT.

The committee has carefully considered the matters committed to it and reports that the present court house building is unsuitable and inadequate.

The following plans have been submitted for our consideration :

By Mr. G. S. Forrest : One plan for a new building to cost \$60,000 ; one plan for remodelling the present building at an expense of \$30,000.

By Randlett & Griffin : Two plans, one for a new building to cost \$48,000 ; and one for a new building to cost \$58,000.

By Mr. G. W. Cunningham : One plan for a new building to cost \$60,000.

The plans just enumerated together with explanatory data we herewith transmit with this report to the convention for its consideration.

The committee has voted to recommend remodelling the present building at a total expense, including furniture and furnishings, not exceeding \$35,000.

The committee has also voted to recommend that the county hire the money necessary to remodel and issue its notes therefor. Said loan to be payable one-half at the end of one year and the balance at the end of two years from the date it is made.

C. L. FELLOWS,

*Chairman.*

Mr. E. J. Hill of Concord moved that the report of the committee, that they recommend that the present court house be remodelled and furnished, be adopted.

Mr. Davis of Warner suggested that the plans be examined and explained.

Mr. Hill's motion being withdrawn, it was voted to take a recess of ten minutes for the purpose of examining the plans.

After recess the meeting being called to order by the chairman it was moved that the report of the committee be accepted.

It was so voted.

Discussion ensued.

Moved by Mr. E. J. Hill of Concord that the recommendation of the special committee, that the county building be remodelled and furnished, and that a sum not exceeding \$35,000 be and hereby is appropriated for such remodelling and furnishing be adopted.

The yeas and nays being called for the vote was as follows:

Yes, 29.

No, 6, and the motion prevailed.

Mr. Killeen of Concord moved that the following recommendation of the committee be adopted—that is, that the county hire the money necessary to remodel and issue its notes therefor. Said loan to be payable one-half at the end of one year and the balance at the end of two years from the date it is made. So voted.

A. W. THOMPSON, *Clerk*.

## REPORT OF THE COUNTY COMMISSIONERS.

---

### *To the Citizens of Merrimack County:*

The Commissioners of Merrimack County herewith submit the annual reports of the county commissioners, treasurer, superintendent of the farm and house of correction, clerk of the supreme court, sheriff, jailer, county solicitor, farm physician, chaplain and auditors for the year ending December 31, 1905.

#### COUNTY FARM.

This institution, located at North Boscawen, has been under the same management as for the last two years, Mr. and Mrs. W. H. Milton, as superintendent and matron, having cared for the inmates and supervised the several departments connected with the institution in a very satisfactory and economical manner. We believe there is no institution of the kind in the state where the inmates are better cared for than at the farm at North Boscawen.

The almshouse is one of the best, every room is light and pleasantly situated, and cleanliness prevails throughout every department. The inmates are supplied with good wholesome food, and instead of complaints we often hear the remark from the inmates themselves that they are well satisfied.

The buildings have been painted outside this season and are in very good repair; the products of the farm exceeded those of last season. We have supplied the

buildings with modern fire extinguishers and purchased a good supply of ladders, which materially increases the fire protection.

F. A. Bakeman, M. D., has continued to minister to those needing medical advice, and we have been very fortunate in securing good, faithful nurses, thus adding much to the comfort of the inmates.

Thanksgiving and Christmas are most enjoyable days at the institution. On Thanksgiving day a special dinner is provided, and on Christmas, turkey with the usual relishes is furnished and heartily enjoyed.

A Christmas tree loaded with presents from friends of the inmates, supplemented with many and useful gifts from the Woman's Christian Temperance Union, and an entertainment also furnished by that organization, together with other friends, make the day one long to be remembered.

We wish here to thank the Woman's Christian Temperance Union and other friends of the institution who have done so much for the entertainment and good of the inmates during the year.

Rev. L. W. Phillips, of Franklin, has had the spiritual welfare of the institution under his charge another year, and we are well satisfied that we made no mistake in appointing him to the position, and hope his services may long be continued.

#### COUNTY POOR AWAY FROM FARM.

There has been a marked decrease in this item during the year, which we think is largely accounted for by the frequent settlements with towns, which has been quarterly instead of yearly, as formerly. By this means the commissioners have been enabled to keep in closer touch with the county charges through the overseers of

the poor of the several towns. We wish to thank the overseers of the poor of each town for their co-operation, which has made it possible to show such favorable reduction in the cost of maintenance away from the farm.

#### JAIL.

This institution, since April, has been under the management of George A. S. Kimball, sheriff. We have made some improvements in the building, such as the furnishing of carpets, curtains and other household articles that were needed, and have also inspected the premises on several occasions and have invariably found the place neatly kept. We have also added electric lights to the house and jail, at a cost of \$207.77. Fire extinguishers have also been provided.

#### COURT HOUSE.

At a meeting of the Merrimack County Delegation, held April 21, 1905, it was voted that the county building be remodeled, and that a sum not exceeding thirty-five thousand dollars (\$35,000) be appropriated for such remodeling and furnishing.

Several plans were submitted to the commissioners, and after due consideration those of Forrest and Cunningham were accepted; the commissioners then advertised for bids, and the general contract was awarded to Charles L. Fellows & Co., for \$29,500.

Contract for heating and plumbing was awarded to Lee Bros. Co., for \$3,148.

Contract for electric wiring and gas piping was awarded to F. W. Landon & Co., for \$293.25.

Work was soon commenced and is now progressing under the above contracts.

There are several civil actions on the docket brought by the state against bondsmen on liquor bonds.

Those cases have been continued pending determination of a law question in the supreme court, on which the method of trying these cases depended.

During the year eight persons have been sent to the state prison for various crimes.

## REPORT OF CHAPLAIN.

---

FRANKLIN, N. H., January 1, 1906.

*To Merrimack County Commissioners :*

GENTLEMEN,—I respectfully submit the following report of my services as chaplain of the county farm for the year 1905 :

I have conducted twenty-two Sunday services, eleven funeral services, and visited the inmates at different times trying to give encouragement to the unfortunate and comfort to the sick.

Those to whom I have spoken in the Sunday services have listened always with respectful attention, and sometimes with a degree of interest which has led me to hope that my words were not altogether in vain.

The officers of the farm have given me every possible encouragement in my work there, and assisted me in every way.

The efficient management of affairs, the unfailing sympathy shown to these unfortunate or suffering people, the good care given and the comfort provided, together with the harmony of effort and perfect agreement on the part of all concerned in the management, in seeking to promote these conditions and to carefully guard the interests of the county which are centered here, must be a source of satisfaction to all our citizens.

L. W. PHILLIPS,  
*Chaplain.*
